

# How Do I Get Started?

## 1 Call us at (612) 827-6117.

Or visit [www.electricalassociation.com](http://www.electricalassociation.com) for information on the next best steps.

## 2 Contact an EA Contractor, get hired, and start to earn while you learn.

Search for a contractor in your area via the interactive map on our website, and find out how you can apply quickly.

## 3 Enroll in EA's Apprentices Program.

Attend one online evening class weekly, September-April for 4 years. Continue working and earning money while you receive your education.

## 4 Get Licensed & Get a Raise.

Once you have completed 8000 hours (4-years) of on-the-job training, you are now eligible to sit for the Minnesota state Journeyworker Exam. As a JW, you are able to lead a crew and safely work in the field without supervision.

## 5 Choose Your Career Path.

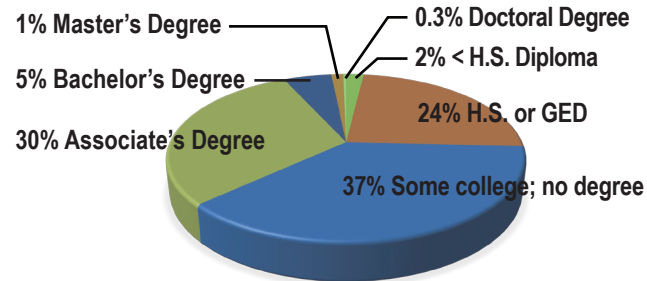

There are many types of jobs in the electrical industry. Choose the best fit for you and continue to live a lifestyle that you love.

Find more resources on EA's Career Portal.

## Typical Education of Electricians
